Section-09 Programs Page: 4 OP-090124 Effective Date: 04/11/2019**B. Non-grievable Issues**

1. Misconduct reports received through the agency disciplinary procedures may not be appealed through the grievance process. Misconduct reports may only be appealed through the disciplinary appeal process as referenced in OP-060125 entitled "Inmate/Offender Disciplinary Procedures."

 2. Grievances shall not be submitted:

 Property issues may be addressed by utilizing the requirements of CCA Policy 14-6: Inmate Resident Property (Property Claim 14-6D and Appeal 14-6E). **Section-09 Programs Page: 18 OP-090124 Effective Date: 04/11/2019****A. Determining Abuse of the Grievance Process**

1. The appropriate reviewing authority may determine there is abuse or misuse of the grievance process and may restrict the inmate's/offender's ability to submit a grievance. Types of abuse, include, but are not limited to: (PREA 115.52(g))

a. Grievances intended to harass another;

b. The continual and repeated submitting of frivolous grievances (frivolous grievances are those with no basis in fact or law);

c. The repeated submitting of grievances or "Requests to Staff" about an issue previously addressed by staff in their written response;

d. Grievances about de minimis (small, trifling, no available remedy) issues;

e. Repetitive grievances by multiple inmates/offenders about the same issue;

f. An inmate/offender writing letters instead of utilizing the grievance process and failing to bring complaints by formal grievance;

g. Continued procedural defects, such as submitting additional pages, after having been previously warned.

Because of continued abuse of the grievance process this serves as an official warning.

You will be afforded the opportunity to properly re-submit a grievance form within **10 days** of receipt of this notice **WITH THE NOTED CORRECTIONS COMPLETED**. The grievance form must be proper, complete, and submitted to the proper reviewing authority. The failure of such waives/forfeits the right to proceed in the grievance process.

Due to your continued failure to submit a properly filed grievance, you are now **OUT OF TIME**.

Other: **Need answered RTS attached to grievance, grievance form not complete, request unclear.**

 Section-09 Programs Page: 4 OP-090124 Effective Date: 04/11/2019**B. Non-grievable Issues**

1. Misconduct reports received through the agency disciplinary procedures may not be appealed through the grievance process. Misconduct reports may only be appealed through the disciplinary appeal process as referenced in OP-060125 entitled "Inmate/Offender Disciplinary Procedures."

 2. Grievances shall not be submitted: (a) about matters that are in the course of litigation; (b) about matters that include requests for disciplinary action against staff; (c) requesting monetary compensation; or (d) For property issues at privately contracted facilities. These are to be resolved by the privately contracted facility and are not grievable or appealable to ARA. Property issues may be addressed by utilizing the requirements of CCA Policy 14-6: Inmate Resident Property (Property Claim 14-6D and Appeal 14-6E). **Section-09 Programs Page: 18 OP-090124 Effective Date: 04/11/2019****A. Determining Abuse of the Grievance Process**

1. The appropriate reviewing authority may determine there is abuse or misuse of the grievance process and may restrict the inmate's/offender's ability to submit a grievance. Types of abuse, include, but are not limited to: (PREA 115.52(g))

- a. Grievances intended to harass another;
- b. The continual and repeated submitting of frivolous grievances (frivolous grievances are those with no basis in fact or law);
- c. The repeated submitting of grievances or "Requests to Staff" about an issue previously addressed by staff in their written response;
- d. Grievances about de minimis (small, trifling, no available remedy) issues;
- e. Repetitive grievances by multiple inmates/offenders about the same issue;
- f. An inmate/offender writing letters instead of utilizing the grievance process and failing to bring complaints by formal grievance;
- g. Continued procedural defects, such as submitting additional pages, after having been previously warned.

Because of continued abuse of the grievance process this serves as an official warning.

You will be afforded the opportunity to properly re-submit a grievance form within **10 days** of receipt of this notice **WITH THE NOTED CORRECTIONS COMPLETED**. The grievance form must be proper, complete, and submitted to the proper reviewing authority. The failure of such waives/forfeits the right to proceed in the grievance process.

Due to your continued failure to submit a properly filed grievance, you are now **OUT OF TIME**.

Other: **Need answered RTS attached to grievance, grievance form not complete, request unclear.**

Hearing from the ~~other~~ ~~personnel~~. On the hearing Henry told me that he would "suspend my write-up and I will go back to the yard." Today on 11-21-17, I went to Seg. reviews and to my surprise, there was no Chief Brown and the staff present started grilling me, asking question that where available on computer and when I acknowledged him of what I was down here for and that my Sanction was suspended they grew patient and said, ok that's enough since I didn't know what I was down here for that I would have to come back in a week. Now my problem with that, is ~~the~~ staying in Seg. but the point that I didn't do anything wrong to warrant such short tempers and grown on faces. Which leaves me to believe that it was more out of retaliation than strategy on behalf of Chief Brown. Now I'm asking you to ship me "because now my safety maybe at jeopardy. Not just one face of reason was upon the room and they defiantly had a agenda. I ask not to be sent to any "private facilities", due to the fact of retaliation from your staff. I wish that it hadn't come to such measures but, I don't believe I should have to do my time," as if, "I'm being mistreated or retaliated against. I should be able to do my time without the fact of personal, taking my misfortunes personally. I guess maybe Brown may be disappointed at me and look at me as a disgrace to the family whole. The reason its personal and seeing at the seems of his coworkers. I'm at fear for my safety and well being of this staff I pride not to be. Thank you.

A. Determining Abuse of the Grievance Process

1. The appropriate reviewing authority may determine there is abuse or misuse of the grievance process and may restrict the inmate's/offender's ability to submit a grievance. Types of abuse, include, but are not limited to: (PREA 115.52(g))

a. Grievances intended to harass another;

b. The continual and repeated submitting of frivolous grievances (frivolous grievances are those with no basis in fact or law);

c. The repeated submitting of grievances or "Requests to Staff" about an issue previously addressed by staff in their written response;

d. Grievances about de minimis (small, trifling, no available remedy) issues;

e. Repetitive grievances by multiple inmates/offenders about the same issue;

f. An inmate/offender writing letters instead of utilizing the grievance process and failing to bring complaints by formal grievance;

g. Continued procedural defects, such as submitting additional pages, after having been previously warned.

Because of continued abuse of the grievance process this serves as an official warning.

You will be afforded the opportunity to properly re-submit a grievance form within **10 days** of receipt of this notice **WITH THE NOTED CORRECTIONS COMPLETED**. The grievance form must be proper, complete, and submitted to the proper reviewing authority. The failure of such waives/forfeits the right to proceed in the grievance process.

Due to your continued failure to submit a properly filed grievance, you are now **OUT OF TIME**.

Other: **Grievance form is not filled out completely. You must fill out the bottom 4 lines of the grievance. Send the grievance to either "James Yates, Warden" or "Ray Larimer, Health Services Administrator" if it is a medical issue. Incident happened on July 25, 2019 and RTS was not received in the Law Library until 10/17/19. Out of time frame, cannot resubmit.**

 RE: Return of Grievance # 2020-1001-00055-G

YOUR GRIEVANCE IS BEING RETURNED UNANSWERED BECAUSE OF THE FOLLOWING:

- You have not filed your grievance within the specified time frame. (**CANNOT RESUBMIT**)
 - The "Request to Staff" must be submitted **within seven (7) days of the incident.**
 - The inmate/offender grievance must be submitted by the inmate/offender 15 days from the **date of the receipt of the response to the "Request to Staff."**
- An **ANSWERED** Request to Staff form addressed to the **correct staff member** must be attached.
- The **Request to Staff** issue is not consistent with the issue requested on the **Grievance**.
- Inmate Request forms are not utilized in the Grievance Process.**
- You have not completed the **Grievance form correctly, in its entirety, or on the correct form.**
- Grievances submitted must be **legibly written or typed, in blue or black ink. No pencil, highlighter, or other color of ink is allowed.** No drawing, decorating, doodling, or making comments, in the margins of the pages is permitted.
- The **Grievance and Request to staff** must be specific as to the **Complaint, Dates, Places, Personnel Involved and How the Inmate was Affected.**
- Classification Movement requests to transfer to another facility, are not grievable to DOC.
- If there has not been response to your Request to Staff in 30 days, but no later than 60 days, of submission, the inmate may file a grievance to the reviewing authority with **a copy of the "Request to Staff" attached to the grievance form. (Ask the law library supervisor for a copy of the RTS.) The grievance form may only be filed about the lack of response to the "Request to Staff."**
- Only **ONE ISSUE OR INCIDENT** is allowed per **Grievance and Request to Staff.**
- You are on **Grievance Restriction**, proper documentation was not included.
- It has been determined that the grievance is not of an **Emergency or Sensitive** nature. The grievance is being returned and you must comply with the standard grievance process.

Section-09 Programs Page: 4 OP-090124 Effective Date: 04/11/2019**B. Non-grievable Issues**

1. Misconduct reports received through the agency disciplinary procedures may not be appealed through the grievance process. Misconduct reports may only be appealed through the disciplinary appeal process as referenced in OP-060125 entitled "Inmate/Offender Disciplinary Procedures."

 2. Grievances shall not be submitted:

(a) about matters that are in the course of litigation;

(b) about matters that include requests for disciplinary action against staff;

(c) requesting monetary compensation; or

(d) For property issues at privately contracted facilities. These are to be resolved by the privately contracted facility and are not grievable or appealable to ARA.

 Property issues may be addressed by utilizing the requirements of CCA Policy 14-6: Inmate Resident Property (Property Claim 14-6D and Appeal 14-6E). **Section-09 Programs Page: 18 OP-090124 Effective Date: 04/11/2019****A. Determining Abuse of the Grievance Process**

1. The appropriate reviewing authority may determine there is abuse or misuse of the grievance process and may restrict the inmate's/offender's ability to submit a grievance. Types of abuse, include, but are not limited to: (PREA 115.52(g))

a. Grievances intended to harass another;

b. The continual and repeated submitting of frivolous grievances (frivolous grievances are those with no basis in fact or law);

c. The repeated submitting of grievances or "Requests to Staff" about an issue previously addressed by staff in their written response;

d. Grievances about de minimis (small, trifling, no available remedy) issues;

e. Repetitive grievances by multiple inmates/offenders about the same issue;

f. An inmate/offender writing letters instead of utilizing the grievance process and failing to bring complaints by formal grievance;

g. Continued procedural defects, such as submitting additional pages, after having been previously warned.

Because of continued abuse of the grievance process this serves as an official warning.

You will be afforded the opportunity to properly re-submit a grievance form within **10 days** of receipt of this notice **WITH THE NOTED CORRECTIONS COMPLETED**. The grievance form must be proper, complete, and submitted to the proper reviewing authority. The failure of such waives/forfeits the right to proceed in the grievance process.

Due to your continued failure to submit a properly filed grievance, you are now **OUT OF TIME**.

Inmate Brown did not request an action but made statements concerning AW Gentry suiting up in tactical gear to hold him down while another officer beat him. He is on grievance restriction and complains that he does not have the funds to get all his affidavits notarized. He also believes that he is being treated differently because of his race.

After further review of the matter Mr. Garrison, the facility investigator, advised that there was no evidence to support these allegations. Video was reviewed and Gentry was not present.

Inmate Frame's RELIEF IS DENIED.

TOOK A AGGRESSIVE STANCE; BY REACTIONS (STANCES WERE MANAGED) IN THE SAME SENTENCE SAYS; AND ATTEMPTED TO GET UP FROM THE GROUND; WHICH IS CONFLICTED FROM THE FIRST STATEMENT OF "AGGRESSIVE STANCE" HOW CAN I BE STANDING IF I AM ON THE GROUND? WHICH IS CONFLICTED THE NEXT STATEMENT OF; AND CHARGE THE EXTRACTION TEAM." OKAY SO LETS BREAK THAT DOWN
 "I TOOK A AGGRESSIVE STANCE AND ATTEMPTED TO GET UP OFF FROM THE GROUND AND CHARGE THE EXTRACTION TEAM." SOUNDS LIKE A ACCUSATION RATHER THAN A FACT.
 FIRST OF ALL IF I NEVER GOT OFF THE GROUND, HOW THEN CAN "HE" SAY; CHARGE THE EXTRACTION TEAM? ON MARCH 16, 2020 I RECEIVED A RESPONSE FROM ^② MARK KNUTSON STATED: "ONCE RESTRAINED I ATTEMPTED TO CHARGE THE EXTRACTION TEAM,
^③ MARK WROTE THIS STATEMENT OF "ALLEGEDLY" SOME OFFICIAL TOLD HIM AT THIS FAULTY. TWO CONTRADICTING STATEMENTS. ONE "ALLEGING" I DID ATTACK, THE OTHER (ALLEGATIONS) ALL TOGETHER. ^② MARK 3-18-20 STATED; AT THIS POINT, THIS OFFICE HAS NO IDEA WHAT OCCURED ON 2-13-20, THIS IS NO CLERICAL ERROR BY FAR IT IS LETTIBLE AND FALSIFIED! HE ALSO (ALLEGED) 5 ^④ (ALLEGED) 6 OFFICERS IN TACTICAL GEAR. (VIEWFOOTNOTE) HE (ALLEGED) I RESISTED BUT IN THE FIRST SENTENCE SAY I COMPLIED WHEN GIVEN VERBAL ORDERS TO SUBMIT TO HAND RESTRAINTS, HUH?
 HE ALLEGED ABRASION/SCRATCH. I NOW HAVE A ^①(1)INCH INCISION ABOVE MY LEFT EYE WITH A MINOR CUT ABOVE IT. MY RIGHT UP HAD A PUNCHER WOUND THAT LOOK AS IF A KEY OR FOREIGN OBJECT CUT IT. SCARS STILL VISIBLE, INSIDE MY MOUTH A ^②(2)INCH CUT THAT REVIELED CARTILAGE AND GLASSAL INSIDE SCAR STILL VISIBLE (REDDENED UNDER LEFT EYE) NOT LIKELY! MY FACE WAS SO SWOLLEN PLASMA CAME OUT OF MY POLES. FOR SUCH ALLEGATION MADE IN THIS MANNER STATING MINOR INJURIES SURELY WOULDVE BEEN PHOTOGRAPHED AND FORWARDED ACCORDING TO DOC POLICY.
 ITS OBVIOUS HE TRIED TO HIDE FACTS AND FABRICATE OTHERS. ON THE ACTUAL WRITE-UP IT SEEEMS THAT HE "TYPED IN POSSESSION OF ILLEGAL DRUGS" SOMEONE SCRATCHED THAT OUT. I AINT THE BRIGHTEST CRAYON BUT SEEEMS LIKE I WAS ABOUT TO GET ACCUSED OF HAVING ILLEGAL DRUGS WHICH I BELIEVE A X-23 [REDACTED]
 IM APPAULED AND CONFUSED
